## April 17th, 2018

The Des Moines County Board of Supervisors met in regular session at the Court House in Burlington at 9 AM on Tuesday, April 17<sup>th</sup>, 2018 with Vice-Chair Tom Broeker and Member Bob Beck present. Chairman Jim Cary was absent.

Unless otherwise noted, all motions passed unanimously.

Agenda items removed from tentative agenda: 6E - Class C Liquor License for Wedding Reception submitted by HyVee was cancelled and 6H - Contract Documents did not arrive and rescheduled to 4/24 meeting

Meet with Department Heads: County Auditor Terri Johnson reported the Primary Election ballots have arrived and absentee voting will begin May 7th. The last day to request an absentee ballot to be mailed is 5PM on May 25th. This is also the deadline for Voter Pre-Registration. Absentee ballot request forms will be required to include Driver License or Non-Driver License numbers or the four-digit pin number from the Voter ID card for those without the other forms of ID. Maintenance Supervisor Rodney Bliesener stated he is still waiting on the Simplex maintenance agreement at the Jail for the control board and fire system. He is also waiting on quotes for a new control system. Zach James, Land Use Administrator stated things are going smoother. They are considering reviewing and revising paperwork for permits and the review process for subdivisions. County Engineer Brian Carter stated his crews were rocking and blading and working on the bridge project on the bottoms. He stated the four region engineers met with SEIRPC to discuss the SWAP funds. They discussed how the funds would be administered and was pleased with the meeting. Plank Road was closed by the Iowa Department of Transportation last Friday (4/13). He stated it was a surprise because the DOT did not notify the Roads Dept. of the quick closure. Conservation Office Manager Jeff Breuer reported the weather cooperated last week and the sidewalks were poured around the Big Hollow shower house. There is still some finish work that needs to be completed before the water is turned on. He stated they were awarded a Land & Water Conservation Fund Grant. Public Health Administrator Christa Poggemiller reported SEIA Narcotics Task Force, Public Health and DMCo Hazardous Chemical Center are sponsoring a "Prescription Drug Take Back Event" on April 28th from 10AM to 2PM at the Slumberland Parking Lot. Anyone can bring expired, unused or unwanted prescription and over-the-counter medications for disposal. They will also accept Sharps containers and will be giving out empty Sharps containers. Public Health still has a nursing position to fill. County Attorney Amy Beavers stated her office is busy. More jury trials will start tomorrow with 30 on the list for April 24<sup>th</sup> in District Court. Safety Director Angie Vaughan reported she has received information from OSHA. Interim IT Director Colin Gerst stated on Thursday his department will have in-house training on Civic Plus. On April 26<sup>th</sup> he will have Security Training for Departments to review scam and phishing emails, etc. Asst. Jail Administrator Colter Levinson reported a population of 78. CDS Director Ken Hyndman reported on the Change Agent meeting he attended on April 11<sup>th</sup> with service providers. He stated the following: 1) The videos "Paper Tigers" and "Resilience" related to adverse childhood experiences will be shown in future Change Agent meetings. Washington School in now a "Trauma Sensitive School". (Trauma Informed Care training, Adverse Childhood Experiences (ACES) training, and we have Bridges Out of Poverty). 2) There are fewer providers accepting "presumptive eligibility" Medicaid funding – so the region is being asked to fund more persons while they wait for full Medicaid (T19) funding. 3) At their meeting there were many comments on trouble getting paid by Iowa MCOs that authorize Medicaid funding. Specifically, it is difficult to get funding authorized for individuals who have complex needs. Funding is often reduced after an individual is stable for one month, causing people to become unstable again when their services are reduced. It was mentioned that United Healthcare MCO is not paying providers in a timely manner, causing cash-flow problems for MHDS agencies. There were requests from providers for legislation for more oversite of MCOs. (HF2483 addresses this issue). 4) Optimae Life Services won the bid for starting a Recovery Center at 910 Cottonwood in Burlington. The contract amendment will be presented at next month's meeting and services will start by July 1st at 910 Cottonwood. They will offer non-eligibility base services to people with mental health needs. Walk-ins welcomed with not a lot of paperwork needed to start the program.

Public Input – Sam Larson, Kiwanis Club member stated they will hold their annual Pancake Breakfast on May 26<sup>th</sup> from 6:30am to 11:30am at the Port of Burlington.

Accounts Payable Claims in the amount of \$359,319.59 were approved upon motion made by Beck and seconded by Broeker.
