## January 20, 2015

The Des Moines County Board of Supervisors met in regular session at the Court House in Burlington at 9 AM on Tuesday, Jan. 20<sup>th</sup>, 2015, with Jim Cary, Tom Broeker and Bob Beck present.

Unless otherwise noted, all motions passed unanimously.

Meet with Department Heads and Elected Officials: the County Auditor asked the Board if they planned to pass the Master Matrix for manure management this year. The Supervisors all answered no. Copeland reported that she had received a contract for the annual audit and asked if they were willing to renew the contract with Anderson Larkin of Ottumwa. The Board agreed to place the contract on next week's agenda. Julie Winter, Administrative Assistant to the County Engineer, reported that roads are very slick this morning and trucks were sent out to sand intersections. Conservation Director Chris Lee announced that there will be a Lobby Day on January 26<sup>th</sup> in support of Iowa Water and Land Legacy receiving 3/8 of 1 cent of any future sales surtax. He estimated that between \$150 and \$180 million will be raised each year with County Conservation departments getting 50 to 60 percent of that. The recipient of the remaining 5/8ths has not been decided. Jeff Hanan, Land Use Administrator, reported that the Board will be receiving information about Craig Upton's subdivision and that it will be presented for the Board's approval at next week's meeting. Community Services Director Ken Hyndman spoke of his concern that the Governor plans to close MHI facilities in Mt. Pleasant and Clarinda. This plan will create a hardship on clients and increase local funding costs for transportation. Mt. Pleasant has nine mental health and nineteen dual diagnosis beds and Clarinda has a total of 35 beds. Many times there are no beds available in an emergency. He stated that the Governor's budget also has no funding for equalization. This county has been receiving \$148,160 which is used to support the SEIL mental health region. In addition, the State is limiting a fund carry-over of more than 25% in the mental health fund and CSD's in the SEIL region are concerned that the State is planning to take county tax money over that amount.

Public input session #1: Kenton Cole, Danville, spoke to the Board not as union representative for the employees at MHI but as a concerned citizen. He is concerned about services for mental illness. Cole stated that the Governor is cutting services for the most vulnerable people in the community. Mt. Pleasant is the least expensive MHI facility to operate. Dual diagnosis (drug dependence and mental illness) will be eliminated, putting those patients back in local jails and increasing local taxes. He stated that hospitalized patients need to be near their families for support. Cole urged the supervisors to use their influence with area legislators and the Governor to keep Mt. Pleasant and Clarinda facilities open. Beck added that Great River Medical Center has only eight beds.

Accounts Payable Claims in the amount of \$1,102,372.28 were approved upon motion made by Broeker and seconded by Beck. Broeker stated that the sum included the purchase of the Baker property by County Conservation and some equipment for DesCom.

Broeker moved to approve that the County Auditor sign an engagement letter with Dorsey and Whitney. Seconded by Beck. The Board intends to lower levy rates by short term bonding. This method of financing allows the County to use the full value of property within the county, including values in TIF districts.

Broeker read a Resolution to set the date for a public hearing on the General Obligation Loan Agreement. Motion to approve the hearing on February 10, 2015 at 9 AM was made by Broeker and seconded by Beck.

By order of the Board of Supervisor of Des Moines County, Iowa. Carol Copeland, County Auditor

Passed and approved January 20, 2015.
